Kindergarten & Primary

Century

An Integrated Montessori Concept Based
Nature Themed School

Welcome to a world where learning blooms naturally!

At Arunodaya Sugandhini School of Education, we believe every child is a seed of potential, ready to grow in a nurturing, nature-inspired environment. Our curriculum blends the Montessori philosophy with hands-on experiential learning, designed to ignite curiosity and foster holistic development.

What Sets Us Apart Nature -Themed Learning Environment, where children grow in harmony with nature exploring, observing, and learning from the world around them.

Integrated Montessori Approach
Child-centred, activity-based learning for independence, creativity, and self-discipline.
